## Vet's Blog

Henry

Welcome to my blog. My name is Henry Purr and I am a vet. I help many different kinds of pets: dogs, cats, hamsters, guinea pigs, snakes and turtles.

I love all animals: small and big, pretty and sweet, as well as ugly and scary.

I am a vet with a big heart.

### **This week, I have some tips for people who have dogs.**

- Remember, your dog loves its walks. You must walk your dog three to four times a day.
- Dogs have got a lot of energy and they love running outdoors.
- You must always find the time to play or simply be with your dog. You mustn't leave it alone for many hours.
- You mustn't give your dogs any sweets. It is very unhealthy. Buy special dog food.
- Remember that your dog needs fresh water every day.
- Finally, you must take your dog to the vet's surgery regularly.

If you have any problems with your pet, write to me.

My email address is: henry.purr@vet.com
